

From north to south,
a single partner specialized
in the organization
of national-wide
fieldworks, for those
looking for quality without
compromises.

MILAN

ROME

CATANIA

Three multifunctional locations
with large and comfortable spaces
ideal for focus groups, workshops,
test centers, meetings & briefings,
easy to reach and equipped with
the most advanced technologies.
A point of reference to provide to
our customers our best quality
standards in a faster, more
organized and effective way.
